

## ASX announcement

9 July 2014

### Clarifying Statement in relation to media article

Stanmore Coal Limited ("Stanmore Coal" or "Company") notes an article in the Australian Financial Review on 9 July 2014 in relation to the Wilkie Creek Mine sale process and the involvement of Stanmore Coal as a bidder. Whilst Stanmore Coal has held discussions in relation to the potential acquisition of Wilkie Creek, these remain non-binding and incomplete.

Stanmore Coal continues to evaluate opportunities which are consistent with our strategy of selectively pursuing low capital, high value expansion opportunities and deploying capital judiciously to create long term shareholder value. As part of this the Company holds discussions with a range of asset owners and potential funding partners regarding logical growth opportunities. The Company will provide further information to the market if and when required in order to maintain compliance with continuous disclosure obligations.
